Description

25m60 4 cabins 3 crew Elegant atmosphere and refined touch will amaze your eyes, M/Y Soja is an excellent yacht with an ideal layout for charters. 25.6 meters long motor yacht, at 23 knots of cruising speed, with planning bottom, it guarantees all comforts and performances of its category, with the addition of a special attention given to the interior design and space enhancement. Nominated for innovation and practicality trophies by the 2008 World Yacht Trophies, M/Y Soja has an exclusive and innovative design to enjoy an amazing cruising experience. The sleeping area has been thought to sleep up to 9 guests (preferably 8 adults and 1 child) in 3 double and 1 twin cabin in a comfortable and elegant way. It is divided into two separate zones. At the bow, which is the quietest area, are located 2 double cabins, a master cabin with double bed and twin bunk (for children max 10 years old) as well as another double cabin. In the aft of the boat you will find the other 2 spacious cabins, 1 twin and a double. All of the accommodations boast en suite bathrooms, air conditioning system, DVD player and Bose system. The fly features two large sun pads and a central table which can accommodate up to 12 guests as well as sofas shaded by a tubular canopy extending from the roll-bar. You can enjoy here a bbq facility. Further aft there is also an open area for sun loungers. Bose system, external lights and local control complete the equipment for a relaxing cruise in the Mediterranean. This fantastic motor yacht has a wide array of water toys including a Williams 325 tender, waterskis, wakeboard, donut and snorkeling gear.
